## DECLARATION BY APPLICANT

### I confirm that:

- i) I have read and will abide by the Fellowship by Thesis Regulations.
- ii) The submitted thesis fulfils the academic requirements and rigour of at least an MSc by Research (i.e. an M.Phil or an MSc in which **not less than 120 credits** have been utilised for research purposes).
- iii) I give to the Chartered Institute an undertaking that no reference or quotations from any published or unpublished works are contained in my thesis with the exception of those which are fully acknowledged in the thesis itself. I shall fully and effectually indemnify the Chartered Institute against all or any damages, costs, claims or demands of any kind whatsoever arising from my failure to include in my thesis any such references or acknowledgements.
- iv) I give my approval for the Chartered Institute to use my thesis and publish the whole or part of the works in the name of the Chartered Institute (with acknowledgement of the source) together with references as to where the original Thesis can be accessed by the environmental health community.
- v) I have enclosed:-
  - a) 3 copies of a submission which states how I believe my proposed thesis meets the requirements of Fellowship.
  - b) 3 copies of my Thesis
  - c) A synopsis of my Thesis
  - d) Evidence of an academic award for the Thesis (if appropriate).
