- ▶ Comprised of; trustees; branch and SIG representatives and co-opted members.
- ▶ Chair for 2011 - Stuart Taylor

# Work in the past 12 months

---

Chartered  
Institute of  
Environmental  
Health

- ▶ Provided the most training of any region through a combination of regional forums, branch training days and study groups.
- ▶ Held a student placement seminar attended by a range of organisations to discuss barriers to training and how availability of training opportunities could be improved
- ▶ Help restart the Hampshire and Oxfordshire branches

# Key objectives in the coming year

---

Chartered  
Institute of  
Environmental  
Health

- ▶ Continue to support the reinvigoration of our branches
  - ▶ Continue to work on the actions identified at the student placement seminar, including promoting the student training placement directory for the SE.
  - ▶ Continue to work with FSA & HPA to facilitate inclusion of CIEH views in ongoing work and facilitate regional projects.
- 

# Future challenges

---

- ▶ Encouragement of new training opportunities for students and qualified members;
- ▶ Engagement with new members – particularly as a result of the widening of membership – how do we meet their needs;
- ▶ Long term aim to have a full-time member of staff to provide support and lead on issues

- ▶ Please provide feedback on whether we should be doing something else or if you think that you have something to contribute
- ▶ e-mail: [southeast@cieh.org](mailto:southeast@cieh.org)
