(Template programme)

CIEH SW – What we have achieved in 2009 and plans for 2010

(Presentation by Member of SWRM Board)

Presentation to be put together so that the same presentation is given across the Region
Gail could you start this please I have attached the presentation format for you.

Member feedback

Small group discussions

- What are the most important things that the Branch and the SW Regional Management Board can do for members in the region in 2010?
- What are the most important things that central CIEH can do for you as members in 2010?
- How can your branch be more inclusive to members outside of Local Authorities?
- How can your branch support students within the region?

Key issue- presentation

Dependent on local initiatives but could be around Climate Change to fit in with CIEH central policy-
