

International Health

Economy, Politics and getting it done

Kwalombota M. Kwalombota

International Health Links Centre,
Liverpool

www.ihlc.org.uk

Why shouldn't the government spend abroad?

We have problems here too

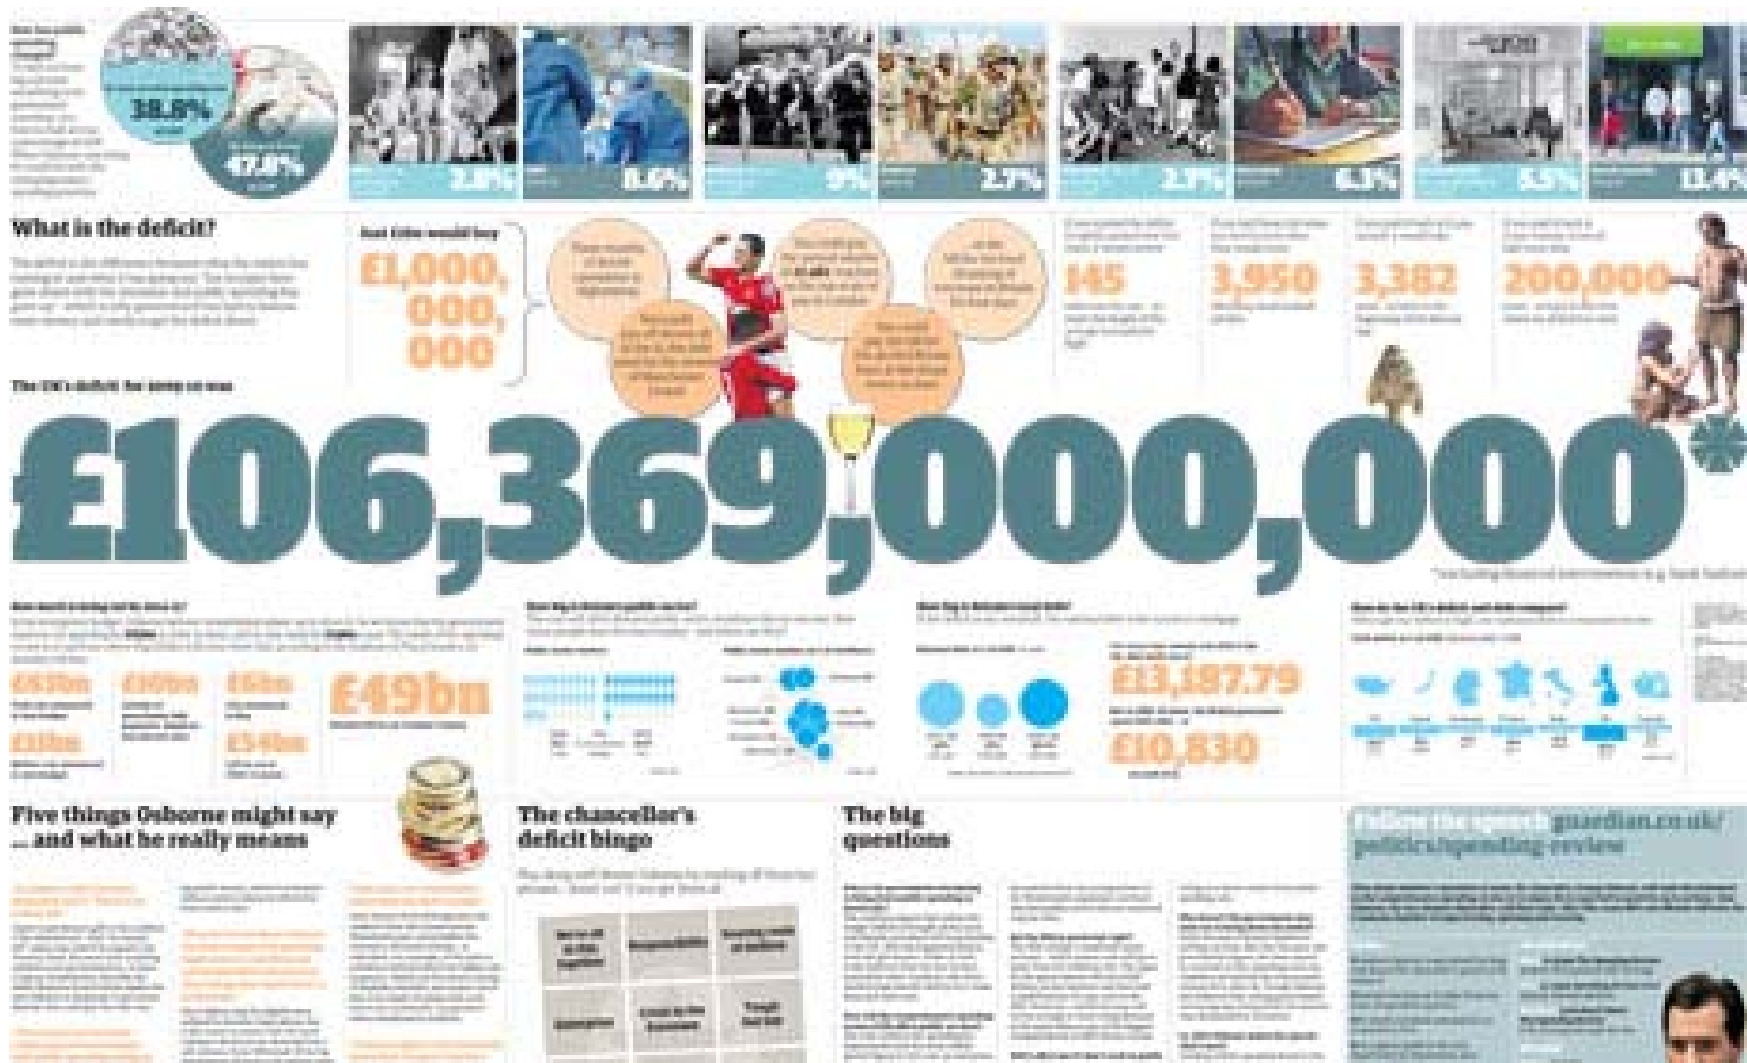

Spend it on our unemployed and youth!!

RECESSION!!!
!!!!

We are in a recession!!

Reduce health inequalities and deprivation here first!

The big figures...

Cuts, cuts, cuts

Ring fenced international development

Table 1: Departmental Programme and Administration Budgets (Resource DEL excluding depreciation¹)

	£ billion					Per cent
	Baseline ²	Plans				Cumulative real growth
	2010-11	2011-12	2012-13	2013-14	2014-15	
Departmental Programme and Administration Budgets

Total	326.6	326.7	326.9	330.9	328.9	-8.3

So why continue with international
development?

AFRICA DOESN'T MATTER

HOW THE WEST HAS
FAILED THE POOREST
CONTINENT AND
WHAT WE CAN DO ABOUT IT

GILES BOLTON

DAMBISA MOYO

DEAD AID

WHY AID IS NOT WORKING AND HOW
THERE IS ANOTHER WAY FOR AFRICA

With a Foreword by Niall Ferguson

“Mutual benefits”

Economic and strategic reasons

- Emerging markets
- Human health capital
- Development aid creates employment
- Strategic: shifting power bases

Security

- Tier 1 threats include: acts of international terrorism, hostile attacks on UK cyberspace, major natural hazards or pandemics
- Significant reductions through international development

Health

- “Tropical” diseases are not so tropical anymore
- Rise in TB and other communicable diseases
- SARs
- All coming on UK shores

Benefits to individuals, institutions and organisations

- Various skills attuned
- Confidence, leadership skills increased
- Cultural awareness
- Enhanced reputation of organisations

How to get involved

Health partnerships...

- Organic growth
- Strategic
- Existing partnerships
