CIEH Level 3 Award in Training Skills and Practice

This qualification is the minimum registration requirement for trainers wishing to deliver CIEH qualifications*.

Who needs this qualification?

This is an essential qualification for anyone wishing to become a CIEH registered trainer* or to update and refresh their training skills and practice.

Why is this training important?

This qualification encourages a flexible approach to training delivery that takes account of learners' needs and preferences. It covers initial assessment, planning and preparation, training delivery, assessment and evaluation.

Learning outcomes

- Understand their own role and responsibilities in relation to training
- Understand appropriate training and learning approaches in a specialist area
- Demonstrate their session planning skills
- Understand how to deliver inclusive sessions that motivate learners
- Understand the use of different assessment methods and the need for record keeping
