

Job description

Job title:	Learning Manager
Reports to:	Director of Learning
Division:	Learning
Grade:	4

Job purpose

- Responsible for the overall ongoing management of CIEH learning assets across the professional pathway aligned to the Professional Standards.
- Responsible for the overall operation of the Awarding Body function in ratifying and awarding learning outcomes, endorsing third-party content and recognising standards of competency.
- Responsible for all new product development aligned to the Professional Learning Pathway and Professional Standards.
- Liaise with the Partnership Manager to constantly identify, review and recruit subject matter experts and technical expertise.
- Liaise with the Membership team to ensure the learning network is an effective partner in deploying high-quality and purposeful professional development assets.
- Provide socio-economic learning policy and market data in order to plan for responsive provision and enable the Director of Learning to report to the Qualification and Learning Advisory Group, Board of Trustees and CEO (and other bodies as advised)

Organisation chart

Key Responsibilities

- Responsible for the procurement and effective briefing of external resource to develop content
- Oversee the design and development of all learning products to ensure they are contemporary and relevant to target markets
- Manage the day-to-day operation of the awarding body function in endorsing, accrediting and recognising high standards
- Coordinate the communication and implementation of new learning products through the network team, marketing and sales
- Maintain relationships with corporate bodies (e.g. LQAG, NPD panel) to ensure these relationships add value to CIEH's product portfolio and that processes are suitably communicated to internal stakeholders
- Ensure the consistent quality and delivery of assessment strategies
- Develop relationships with other professional and awarding bodies to allow benchmarking and targeted relationships that will support CIEH's strategic objectives.
- Accountable for monitoring, analysing and reporting product performance against agreed parameters with the view to identifying trends and variances.
- Analyse data and run statistical reports on a range of aspects including examinations, qualification numbers, geographical spread, distribution spread and performance.

- To liaise closely and support Sales, Marketing and Customer Services to maintain a strong and proactive infrastructure to deliver CIEH's strategy

Other duties and responsibilities
