

Hedgerow Bursary - Conditions

1. Purpose

The purpose of the Bursary is to assist Member Association delegates to attend Council Meetings, & AGMs. Monies are **not to be used for travel to or from Regional Meetings.**

2. Priority to Emerging Nations

Assistance Shall be given initially to those countries who fall into the area where our subscription band limits their payment to £53.00 because of their classification within the World Bank listing of lower income countries. Those countries in the lower bands of the world bank listing will be given priority to accessing the funds available. Consideration Shall also be given to countries where the member country is not classified as a "lower income country" as their national economies are vibrant, but the Member Association is not cash rich and cannot afford expensive travel costs. Evidence on the lack of ability to pay will be required from the Member Association.

3. Applications

Applications will only be received from Member Associations and not individual delegates. The Member Association, if successful, can then use the funding to send one delegate or if they prefer, split the funding between 2 or more delegates. If only one delegate attends, he/she can bring the required proxies to the meeting.

Member Associations are required to have at least 2 years membership in the Federation before they can make a funding application

4. Nominees

Nominations Shall only be made by the Council/Board President or Chairman of the Member Country Association on the delegate's behalf and the application shall be supported by the minuted agreement of the Member Association. Only those accredited or appointed representatives to the IFEH Council (since only full members have voting rights) or those appointed as IFEH Office Bearers who might be appointed as Council representatives by their organisation may be eligible for consideration. Where an IFEH Office Bearer has accommodation provided by the host country as a result of their position at that time they will only be entitled to claim the cost of transport, visa applications etc.

5. Faculty Forum

The Faculty Forum are Associate Members of the Federation, and shall not be eligible for funding through this medium.

Initially, the Board shall commit to approving up to 4 applications per year therefore leaving some monies for contingencies such as a late attendance which is deemed to be necessary and in the best interests of the Federation. Bursary support is for travel costs, visa costs and accommodation for up to 3 nights on a Bed & Breakfast basis. **However, it does not include further accommodation costs beyond the Council Meeting or incidentals.**

7. Proof of Payment

Cost estimates shall be provided well in advance within the Application Form where bursary support is sought. Upon approval from the Board, final payment will be made based on actual costs incurred. Accordingly, proper receipts must be submitted to the Hon Treasurer to validate costs. In order to assist those granted a bursary, monetary advances to the Nominee may be considered by the Board. Any monies not accounted for shall be returned by the Nominee to the Board.

It is the Responsibility of the applying Member Association & Nominee to arrange any Visa required and to book all necessary flights and transport to the Council Meeting Venue. The Member Association shall consider taking out insurance for the flight tickets etc to cover any loss in the event of the Nominated Delegate not attending the Council Meeting & AGM.

Unless there are extenuating circumstances, wholly out with the control of the Applicant/Nominee, no payment will be made unless the nominee attends the full Council Meeting and AGM.

8. Application Process

Subject to the principal conditions set out in paragraph 2, applications from Member Associations will thereafter be accepted on a "first come first served basis" but must be submitted **at least 90 days before** the date of the Council Meeting/AGM. Applications received after this date **may not be considered**. Applications will be submitted to the Hon Secretary. The Board recognises the need for an accountability framework with respect to reporting the funding of the bursary to the Council and the bursary proponent. In addition, the Honorary Treasurer will provide a written update to the first Meeting of the Board of Directors following the AGM. Following approval, a copy of this update will be sent to the Sponsors within 60 days for their information.
