Applying HHSRS day two

Programme

This day is for participants who wish to be certified as competent in using HHSRS. Between Day 1 and Day 2, participants must have inspected a dwelling and submitted a report using the HHSRS.

Applying HHSRS Day 2 will concentrate on reports given by participants on their inspections, with the opportunity for feedback and discussion.

A selection of participants will be expected to give a brief presentation including a description of the dwelling inspected, their assessments of the Hazards, and their justifications for the Likelihood and for the Outcomes.

There will also be feedback, clarifications and the opportunity for open discussion.
